QUIZ (QUESTION SET)

The Quiz template allows authors to create a sequence of various quiz types, including Multiple choice questions, Fill in the blanks, Drag and drop, Mark the words or True/False questions. It allows the learner to solve different types of quizzes in a single flow.

Tips

- The template for creating Drag and Drop questions is the same as the one [explained above](#).
- To see how to create other type of questions, check the [tutorial](#).
