The matter

Planets and solar system

Human body

Dați clic pe unul din cursurile disponibile (ex. Cuvinte) și accesați una din activitățile din listă.

Planets and solar system

Home / Courses / Public activities / Science / Basic science / planets and solar system - en

H5P The 8 planets of the solar system

Mark as done

DESIGNING A COURSE

After accessing an H5P activity, click the button ⟳ Reuse at the bottom of the activity and click the option.

📋 **Copy content**
Copied content may be pasted anywhere this content type is supported on this website.

Access your private and collaborative space (e.g. ATS, HFC, BIBA) and click on the TEACHER Corner area!

Teacher corner

Click on the button Add a new course and fill in the fields Course full name and Course short name.

Click on the button Save and display to save the course.

COPYING AND ACTIVITY AND CUSTOMISATION

Access the course created and click on the button Turn editing on.

Click on the button + Add an activity or resource and select from the popup window the option:

H5P
Interactive
Content

From the editing section (Editor), click the button 📋 Paste to finish copying the activity.

Click on the button Save and display to save the activity.

INFO!
The steps explained can also be used to create activities from scratch.
