Who we are

INCLUDEME PROJECT

Inclusive education practices across educational, economic, social and cultural contexts

- Inclusive and accessible applications
- Technology-enriched interventions that target the specifics of disadvantaged and disabled learners
- Teacher and stakeholder training to equip them with knowledge and skills

OUR OBJECTIVES

Empower disabled and disadvantaged learners by improving the quality of their lives through the provision of customizable digital learning environments available in both formal and informal settings.

Invest in teaching staff skills and optimize teachers' capacity to effectively employ technologies that foster inclusive education.

Individual Level

- 1 EACEA/34/2019
Social inclusion and common values: the contribution in the field of education and training
- 2 Coordinator
Advanced Technology Systems
- 3 6 Partners
Romania, Germany, Ireland, Greece, Bulgaria, Cyprus
- 4 2021 - 2024

Community Level

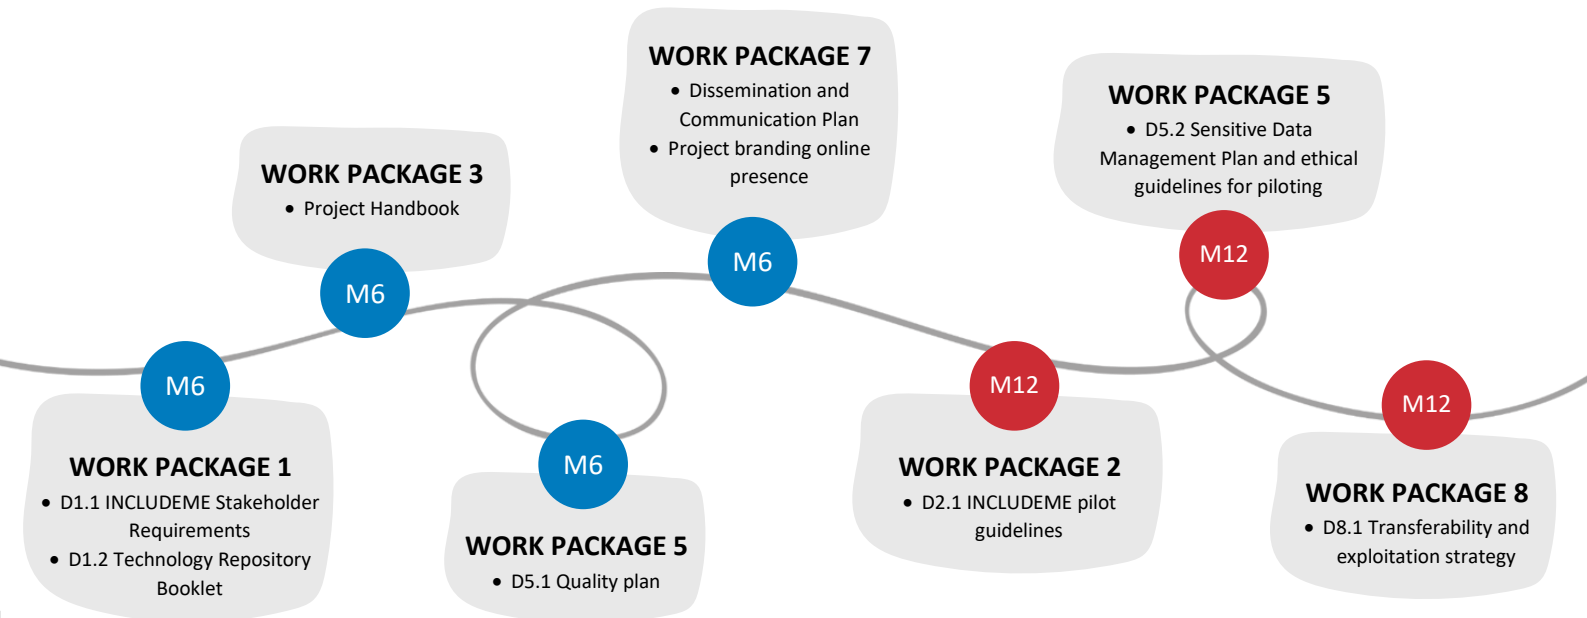

Support communities to be more inclusive, by increasing awareness and equipping the relevant stakeholders with the knowledge, methodologies and tools needed to address social exclusion and equality issues.

Create synergies among local and European communities that drive awareness, change of perceptions, leading to immediate actions and long-term strategies that support inclusive education.

2021 TIMELINE

Our aims for this year

OUR CURRENT ACTIVITIES

INCLUDEME Kick-Off Meeting

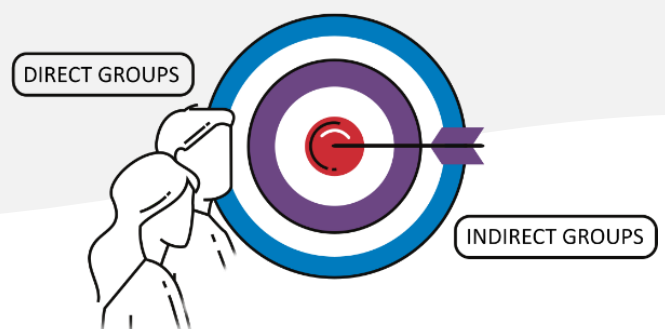

January 25th 2021, Online

The INCLUDEME project Kick-Off Meeting has been taken place on January 25th, 2021 and it was organised fully online. Seventeen attendees representing the seven partners of the project, from six different countries, joined the meeting. Discussions aimed to define a shared vision for the project implementation during the next three years.

INCLUDEME Stakeholder Analysis

March 22th 2021, Online

The first discussion on mapping the INCLUDEME Stakeholder requirements was taken on March 22th, 2021 when project partners gathered online to discuss the steps that have been taken and action points required to identify the requirements from direct and indirect target groups and other stakeholders

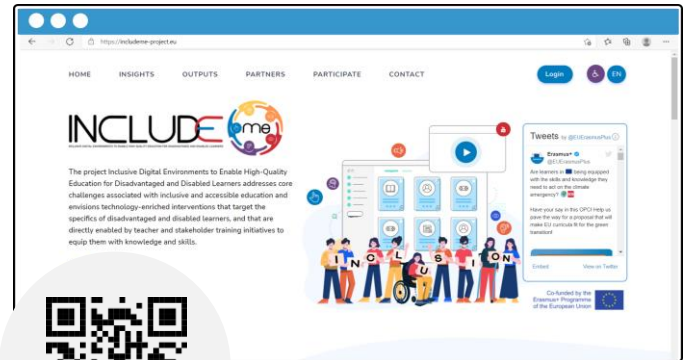

VISIT OUR WEBSITE

Launch of the project website

February 23th 2021

The project website was published on February 23rd, 2021. Besides supporting the dissemination of the project, the website aims to provide an overview of the project objectives, the consortium and applications that the project aims to develop to enable inclusive and accessible education.

INCLUDEME at eLSE Conference 2021

April 22nd – 23rd 2021, Online

The INCLUDEME Project has been presented during the 17th edition of the eLSE Conference – “eLearning and Software for Education” that took place online between April 22nd – 23rd, 2021. ATS has presented the paper “*Accessibility and education: are we fulfilling state of the art requirements?*”, which aimed to provide information on the accessibility of educational resources, according to a case study conducted in nine countries.

INCLUDEME 2nd Transnational meeting

April 30th 2021, Online

The 2nd transnational meeting project meeting has been taken place on April 30th, 2021, and was organised online by the coordinator of the project. Twelve attendees participated in the online meeting. The meeting has covered the key action points for management and dissemination activities; the status of WP1 implementation and the inputs for the surveys for teachers and students; the main objective of WP2 regarding the direct and indirect groups; and the management and financials aspects of the project.

Interviews with target groups, Teachers

May 19th – June 14th 2021, Online

The INCLUDEME partners have conducted interviews with the teachers that responded to the online surveys. The interviews have contributed to the analysis of stakeholder requirements, carried out under WP1 – Analysis of stakeholder needs and user requirement.
